<p>Notes:</p> <p>"Client user ratio" means that for every subscribing consultant you will be allowed to have this many of your clients' employees access the system at no additional charge. E.g. If you subscribe to the Enterprise plan with 100 consultants, you are allowed to have 100 of your employees and 2,400 of your clients employees access the system.</p> <p>Actual fees are based on your consultants only, not client employees.</p> <p>Per user/month fees based on 100% usage by you and your clients.</p> <p>* Additional storage is \$1 GB/month.</p> <p>** One-time setup fee is required.</p> <p>*** Additional Client Access Users are \$5 per user/month.</p>				
<p>ALL PRICES BASED ON RECURRING CREDIT CARD PAYMENT. Add 5.25% in you want monthly invoices.</p>
